

Certificate No.

T1030

Issued: April 27, 1999  
Revision: March 03, 2004  
Expiration: June 30, 2007

**IEC Quality Assessment System for Electronic Components**  
**IECQ-CECC Certificate of Approval of Manufacturer**  
**To QC 001002-3, Clause 2**

The United States National Authorized Institution (ECCB)  
and the Supervising Inspectorate (NSAI) Certifies that

**INPAQ Technology Co., Ltd.**

59-12, 9 Lin, Ta Tsuo Li,  
Chu Nan Chen  
Miao Li Hsien, Taiwan

has the organization, procedures and facilities necessary to assure the design and production of components in compliance with the applicable requirements for manufacturer approval which is in accordance with the Basic Rules and Rules of Procedure of the IEC Quality Assessment System for Electronic Components (IECQ), including assessment to ISO 9001:2000.

**Specification(s)**

QC 260000, QC 300000, QC 400000

**Type of Component(s):**

Integrated passive components and ceramic  
microwave components

**ISO 9001:2000 Scope of Certification**

The design and manufacture of integrated passive components and ceramic microwave components.

**Issued by Certification Authorities:**

Electronic Component Certification Board
